Better known as the "weiner dog," Dachshunds are an unmistakable breed. Originally raised in Germany to help with hunting, the iconic Dachshund has short little legs and a long body, along with a strong personality. Purebred Moderate energy Moderate shedding Welcome to Evergreendox Dachshunds! We have been breeding miniature long-haired dachshunds since 2013. We raise all of our puppies in our home with lots of love and attention! All of our dogs and puppies are raised around various farm animals and children. Our puppies are all AKC registerable, as all of our adults are AKC registered. Puppies come with a written health guarantee, shots up to date, and deworming up to date. We only have a select few litters each year with the goal of producing the upmost quality puppies that meet the dachshund standard in conformation, temperament, health and overall general appearance. We hope you are able to find the perfect puppy for your family here at Evergreendox Dachshunds! We hope you enjoyed your visit!To play, press and hold the enter key. To stop, release the enter key. Let me guess, you are looking for the best Dachshund Breeders in Washington state. And you want to avoid a pet shop that wants to sell random Dachshund puppies without having any breeding history! You also want to avoid puppy mills and backyard breeders as well.Trust me, you are not alone!In fact, you may feel better knowing that you are in the right place. I already have done the research for you. The most important factor I focused on is the experience, reputation, and quality of a doxie puppy grower.After some research, I found 6 reputed Dachshund breeders in Washington state, from whom you can easily collect high-quality fur babies of pure doxies.Related Topic: Dachshund Puppy Breeders In Minnesota State#1 English Cream DoxiesMadisen Papineau is a reputable breeder who is the owner of English Cream Doxies which is located in Walla Walla, Washington. She has started her program long back. Madisen has started this breeding function at home to produce happy, healthy, and fun-loving puppies for you. English Cream Doxies are fond of English Cream longhaired and miniature wiener dogs. It weighs 12lbs and is developed in the United Kingdom.The grower focuses on selected genetics and traits to make them highly desirable as pets for you.All their puppies come with AKC registration and they do not offer any kind of breed rights. All of the puppies are well dewormed and vaccinated with the NEOpar vaccine.Thus you will get the healthiest furry friends from them. It is widely believed that there are improvements in temperament, coat, and general health with English creams.As it is winter time they will provide you with a cute little for the new member of your family. The growers care for these little balls of happiness a lot, they will not allow any shipping service for you.As they are concerned about the health of puppies, they will update you with the recent photographs of your desired puppy to help you in purchasing.To buy a new puppy you will need to contact them through phone or email. If you want to know more about their service you can visit their website.Dachshund Puppy Breeders Details:#2 Von Kue Hounds Out of so many breeders, Carol Kuechle welcomes you warmly at her "Von Kue Hounds" to become a perfect family for her lovely Dachshund puppies. Her love for animals made her start this business over 40 years ago in Vancouver, Washington, USA. Carol is a member of 2 local and 2 National Dachshund Clubs. Her goal is to be a responsible grower who will provide your puppy with great temperament and conformation. She will help you to get comfortable with the new furry member of your family before you take them home. The breeder likes to have only long-haired doxies and strives to improve the quality with each breeding. Her dogs are family members and you can enjoy your valuable time with them instead of worrying about their health. All these puppies are updated with current shots, worming, and vet checks.These breeds are specially selected for you so that you can maintain them easily. Doxies have the capability to give birth to 2 to 3 puppies every 4-5 months which will fill your heart with joy. If you are willing to have your little doxies from Von Kue Hounds, you need to make an appointment through an email. Apart from that if you have any queries you can visit their site or Facebook page for more information.Dachshund Puppy Breeders Details: Related Reading: AKC Registered Dachshund Puppy Breeders Near California Area#3 Evergreendox DachshundsAmy Walters is the owner of Evergreendox Dachshunds who has been working as a breeder since 2013 in Moses Lake, Washington. Her goal is to breed gorgeous miniature longhaired doxies with great health and temperament. So, you can enjoy every moment with your puppy without any stress. Sausage dogs are the most popular breeds of all. They breed Dachshund with long hair with short legs so that they can play around you easily.Weiner dogs give birth to 1-5 litters a year and Amy only plans to have a couple of litters from their dogs each year. The new puppies are kept in a very warm and cozy place to give them a better environment to grow. All of their dogs and puppies are raised around various children and other members of the family to make them socialized. These adults are AKC registered and for this, their pups can also get AKC registration.If you want to purchase a puppy or a dog from this grower you need to email them or visit their website and fill out the questionnaire. There is an interesting fact about doxies. They love to eat a lot which can cause them over-weight. So if you want to see your little sausage dog run and play around your home you need to take care of their diet.Dachshund Puppy Breeders Details:Related Reading: AKC Purebred Dachshund Puppy Breeders Near Georgia Area#4 McMillan's DoxiesMcMillan's Doxies is a beautiful place owned by Alisha and Jim who started as a breeder in Twisp, Washington. They love to breed AKC registered miniature wiener puppies especially for you. They love to breed only miniature doxies because this breed is highly known for its fun and loving activities which will enlighten your life with joy. They offer you a long-haired Dachshund because of its uniqueness in the bloodline. These pups come in different colors, coats, and patterns including brindle, piebald, dapple, and English cream. They also have very unique and exquisite Pattihund lines that were directly imported from the United Kingdom.Apart from the best quality breed, they offer extensive ongoing support to your furry friend. These hand-raised, well-socialized, paper-trained breeds are quite suitable to live with you in your home environment.All these puppies are updated with current shots, worming, and vet checks.Usually, every 6 months they have 4 to 5 puppies per litter and they are kept with their mother until the age of 8 months.You need to be really careful because a sausage dog physically gets ready for breeding by the age of 12 months but you need to let them wait until they turn 18months old. To get these beautiful puppies you have to visit their website and fill out the application. After some casual interviews, you will be able to take them to your home.For any kind of update, you can go through their Facebook page where they are very active.Dachshund Puppy Breeders Details:#5 DK's DachshundsDeirdre Kiest is the owner of DK's Dachshunds in Lewis country, Washington where she is raising exclusively wiener puppies just for you. The breeder had a long-haired miniature black and tan dachshund which lasted for 16 years and after that, she started a breeding program for you. These puppies are fond of too much love and attention and they believe you will love these puppies as much as possible. Now they have four doxies that share their home and furniture with them.Three females, Annie and Munchkin, Ginger, and one male, Cooper. There is no specification of the number of puppies in every litter but wiener dogs always tend to give birth twice a year. They are perfectly dewormed and vaccinated so that you do not need to worry about all these while having fun with these little puppies. Firth 3 weeks after their birth is very sensitive so they are kept in a very comfortable zone. At the age of 8 weeks, they are ready to be a part of your life.If you have settled your mind to buy a Doxie from them then you need to email them for an interview. If you are selected then they will allow you to visit their kennel and see your puppy if your puppy reaches an age of 3 weeks by then.Dachshund Puppy Breeders Details:Name of Owner: Deirdre KiestAddress: 675 State Route 7, Morton, WA, 98356Phone Number: 360-261-2170 Website: DK's DachshundsRelated Topic: Purebred Dachshund Puppies Breeder In New Hampshire State#6 Sage Hill DachshundsSage Hill Dachshunds is truly small heaven at Washington State for the little Dachshunds owned by Christine and Karen Kooy with lots of warmth and love. They have puppies all registered from American Kennel Club. They breed smooth and long-coat miniature doxies in a gorgeous array of patterns and colors. Later they felt strong affection for this breed and gradually started to breed Dachshunds. Now they produce the most beautiful and healthy puppies for your happiness. They are dedicated to dachshund breeding which makes them a more suitable choice for you. They have 4-5 puppies in each litter but they try to manage them all by themselves.Most importantly they try to maintain the original bloodline so that you can have the best puppy for yourself. As they are always trying to satisfy your need, they offer you a generous puppy package, include a travel crate, a blanket with the scent of pup's mother and siblings, a toy, a week's supply of puppy food, puppy pee pads, and registration application, copy of sire and dam pedigrees, and numerous informational pamphlets.Though a mini dachshund could never survive as an "outside dog" in the climate of Washington, they do love a short romp in the snow by choice and these little pups need a daily walk in any weather.Christine and Karen deliver their puppies within a 150-mile radius of our home. Safe shipping is available and you need to bear the airline-approved crate in the price of the puppy.If you are willing to adopt puppies from them then you need to contact them via phone or email. They will like to interview you and if they find you perfect they will let you have their puppies forever.Dachshund Puppy Breeders Details:Related Reading: AKC Certified Dachshund Puppy Breeders in NYCOver To YouDachshund is a very popular breed of dog and if you are truly willing to get one for yourself then you can definitely go through my list keeping all your doubts aside.I did well-organized research just to ease your process of finding a quality Dachshund in WashingtonI believe the Top 6 Dachshund breeders mentioned in our list will save your time and help you to make a quick decision.
